ALPHA SERIES

Aerial AV Cables

Coaxial plug to Coaxial plug with adaptor

Product Description

Connect your Digital Terrestrial TV receiver, DVD recorder or PVR to a TV or aerial point. Superior cable design for a wide range of AV equipment, delivering enhanced sound and picture quality.

Features & Benefits

- 24K gold-plated contacts for enhanced signal transfer
- Twin RFI/EMI filters minimise external interference
- Shielded cable for protection from internal interference
- Oxygen Free Copper (OFC) conductors minimise signal loss and distortion
- Coax plug to plug adaptor converts cable to Coax plug to Coax plug for increased use
- Dual molded colour-coded headshell with side grips for easy hook up
- PVC outer jacket protects internal conductors from wear-and-tear
